AND HEARING**

Defendants filed their status reports on April 10, 2020 (Dkts. 60, 61).

At the April 7, 2020 hearing, Plaintiffs and Intervenor requested, and the Court ORDERED, a status report, which Defendants shall file either jointly or separately by 7:00 p.m. on Monday, April 13, 2020. focused on Skid Row and the surrounding area, up to and including the 10 Freeway. The Court requests that the parties discuss designated areas for recreational vehicles and present possible options to the Court, beginning with Skid Row and the surrounding area. If the parties wish to present a more comprehensive plan covering more of Los Angeles City and County, they are welcome to do so. While the Court will begin settlement discussions with a focus on Skid Row and the surrounding area, the Court intends to quickly broaden the scope of these discussions to encompass more of the City and County. As such, the parties should also be prepared to indicate to the Court when their respective principals will be available for an in-depth settlement discussion.

A hearing to discuss these matters shall be held on Tuesday, April 14, 2020 at 10:00 a.m. In order to comply with the Central District of California's Continuity of Operations Plan and other public health guidance, the hearing shall be held at the Alexandria Ballrooms, 501 S. Spring St., Los Angeles, CA 90013.

The Clerk shall serve this minute order on the parties.
